■ ABOUT US

Hill Country Project Management LLC provides IT staff augmentation and project management consulting to cities, school districts, universities, hospitals, counties, and qualifying nonprofits. TIPS members can engage HCPM through a pre-competed cooperative contract — no RFP required. We typically present qualified, vetted candidates within 48 hours of a request. Founded and led by practitioners with 25+ years of IT project delivery across government, healthcare, and enterprise environments.

■ DIFFERENTIATORS

◆ CERTIFIED

Founded by Ron Levi PMP, a senior certified program management consultant with over 25 years delivering IT infrastructure and application development projects across public and private industry. Our practitioners hold PMP, SAFe Agilist (SA), and SAFe POPM credentials.

◆ 48-HOUR DELIVERY

We present qualified, vetted candidates within 48 hours of receiving your requirements. Screened practitioners matched to your specific need — not resumes from a database.

◆ GOVERNMENT-NATIVE

Our leadership served inside government (City of Detroit executive staff) and has delivered IT programs for Texas state agencies, healthcare systems, and Fortune 500 enterprises. We understand procurement cycles and compliance requirements because we have lived them.

◆ TOTAL SOLUTION

HCPM is an authorized value-added reseller of Microsoft, Dell, Logitech and other trusted brands. Service solutions and hardware can be sole-sourced, delivered and supported by Hill Country Project Management.

■ PAST PERFORMANCE

Tidelands Health / Medical University of South Carolina (MUSC)

Epic EHR optimization and analytics enablement. Program management, enhancement prioritization, and Microsoft Power Platform (Power BI/Apps/Automate) implementation. Measurable improvement in request visibility and throughput.

Texas State Agencies (via DIR ITSAC)

IT staff augmentation across multiple agencies including HHSC. Application developers, QA engineers, enterprise architects, project managers, business analysts, and systems analysts.

Blue Cross Blue Shield of Michigan

Senior certified project manager for enterprise IT programs. Full lifecycle delivery at one of the nation's largest health insurers.

IBM — 22 Years (1983–2009)

Network services engineering to senior certified PM. Large-scale enterprise technology programs across multiple business units and geographies.
